

प्रकृतिसंरक्षणाय कृषि:

AT-BLOOM⁺

Flori - Fructo Catalyst

प्रकृतिसंरक्षणाय कृषि:

AT-BLOOM⁺

FLORI - FRUCTO CATALYST

पुष्प-फल संजीवनी

Flower - Stimulates abundant blooming
Fruit - Enhances fruit set & development
Fast - Promotes rapid nutrient absorption
Flourish - Boosts yield & quality

Net Wt. 500 Gm

AT- BLOOM+

Flori - Fructo Catalyst

Powered by advanced AT Technology, AT-BLOOM+ is a natural, water-soluble flowering & fruiting catalyst formulated from plant-derived amino acids.

AT-BLOOM+ promotes pollination, fruit set, size and shine, improves nutrient use efficiency and strengthens plants against heat and drought stress. Regular use supports healthier crops and better-quality yields across all crops.

Significance / Key Features:

Premium & Natural – A bio-organic, plant-derived formulation made from amino acids, seaweed extract and ensuring safety for all crops.

Water-Soluble & Fast-Acting – 100% soluble for quick application through foliar spray or fertigation, ensuring rapid absorption and visible results.

Powered by AT Technology – Advanced proprietary technology designed to naturally stimulate flowering, pollination, fruit setting and yield enhancement.

Enriched with Natural Biostimulants – Contains Protein Hydrolysate and Seaweed Extract, well-known for improving reproductive growth, fruit shine and uniformity.

Supports Sustainable Farming – Eco-friendly and chemical-free, reducing reliance on synthetic inputs while building long-term soil and crop health.

Complete Crop Cycle Support – Works in synergy with AT-ROOTZ, providing end-to-end support from strong root establishment to flowering and fruiting.

AT- BLOOM⁺

Flori - Fructo Catalyst

Benefits:

Boosts Flowering & Fruit Set

Naturally stimulates flower initiation, pollination and fruit setting for higher productivity.

Improves Fruit Size, Shine & Uniformity

Enhances marketable quality of produce with bigger, brighter and more uniform fruits.

Enhances Nutrient Uptake & Efficiency

Supports rapid absorption, optimized utilization of nutrients and reducing wastage.

Promotes Plant Vigor & Metabolic Activity

Stimulates enzymatic and hormonal functions, ensuring robust plant health and active metabolism.

Strengthens Resistance to Heat & Drought Stress

Helps plants withstand harsh climatic conditions, maintaining growth and productivity.

Increases Yield & Crop Quality

Ensures higher returns through improved overall yield and superior crop quality.

Formulation : Powder | **SKU :** 500 gram & 1 kg

Dosages & Application Window:

Soil Application:

1 kg per acre

Apply at the time early Flowering, Fruiting & Picking

Drip / Drenching Irrigation

0.5-1 kg per Acre

Every 7-10 days during Flowering , Fruiting & Picking

Foliar Spray

0.5-1 kg per acre (As per crop canopy)

For Filed Crops : Every 7-10 days /

For horticultural Crops Every 15-20 days

General Dilution : 2-3 gm per liter of water

Crops:

Cereals & Pulses, Grains, Oil Seeds, Commercial Crops, Horticulture Crops, Fruits & Vegetable Crops, Plantation Crops, Spices & Nuts

Compatibility:

AT-BLOOM+ is compatible with all types of agro-inputs. However, always test in a small quantity of water before mixing with other products in bulk.
